The processing of data that are fundamental for the fulfilment of these obligations is necessary for a correct management of the relationship and their provision is mandatory for the achievement of the aforementioned purposes. The Data Controller would also like to inform you that the non provision or the erroneous provision of some of the mandatory information may result in the Controller being unable to guarantee the consistency of the processing.

Your data may also, with your consent, be used for the following purposes:

- Communication of Technical/commercial information.

With regard to the aforementioned purposes, the provision of data by you is optional; your refusal to consent to processing will not compromise the performance of the relationship or the consistency of the processing.

Modalities of processing. Your personal data may be processed in the following ways:

- by electronic computers with the use of software managed by Third Parties;
- assignment of processing operations to third parties;
- creation of profiles relating to customers, suppliers or consumers;
- processing with the use of electronic computers;
- manual processing with the use of paper-based archives.

Each instance of processing is performed in compliance with the modalities of articles 6, 32 of the GDPR and with the adoption of the appropriate security measures set forth.

Communication: your data will be communicated exclusively to competent persons who have been expressly appointed for the provision of the services that are necessary for the correct management of the relationship, with guarantee of protection of the rights of the data subject.

Your data will be processed by personnel expressly authorised by the Controller and, in particular, by the following categories of staff:

- Partners;
- the Purchases department;
- the Administration department.

Your data may be communicated to third parties duly appointed as Data Processors, specifically to:

- banks and credit institutions;
- legal communication related to the anti-money laundering rules and regulations (Law of 5 July 1991, no. 197 and subsequent amendments; Legislative Decree of 20 February 2004, no. 56; Law of 25 January 2006, no. 29; Ministerial Decisions of 3 February 2006, nos. 141, 142 and 143; Decree of the Italian Foreign Exchange Office of 24 February 2006);
- consultants and freelancers, even associates;
- public and/or private persons for whom the communication of the data is mandatory or necessary for the fulfilment of legal obligations or fundamental for the management of the relationship;
- insurance companies;
- Forwarding agents, Carriers, Self employed drivers, Post offices, Logistics Companies.

Dissemination: Your personal data will not be disseminated in any way.

Storage Period. We would like to point out that, in compliance with the principle of lawfulness, purpose limitation and data minimisation, pursuant to article 5 of the GDPR, your data will be stored for a period of:

- a period of time no longer than that required for the fulfilment of the purposes for which the data are collected and processed, for the performance and fulfilment of contractual purposes;
- a period of time no longer than that required for the fulfilment of the purposes for which the data are collected and processed and in compliance with the mandatory periods of time laid down by the law.

Management of cookies: in case you have doubts or concerns with regard to the use of cookies, you may always intervene to prevent that they are installed and read, for example by modifying the privacy settings of your browser to block certain types of cookies.

Since browsers - and often various versions of the same browser - differ significantly between them, if you would like to act autonomously through the preferences of your browser, you can find information on the required procedure in the guide of your browser.
